3. Duplicate attestation
4. Army Form B. 97 (if any)
5. Declaration of change of name (if any)
6. Re-engagement paper (if any) (Army Form B. 136)
7. Authority for continuance, or extension, of service (if any) (Army Form B. 221)
8. Court of Inquiry on an injury (if any) (Army Form A. 2)
9. Regimental conduct sheet (Army Form B. 120)
10. Company conduct sheet (Army Form B. 121)
11. Copies of convictions by Civil Power (if any)
12. Medical history sheet (Army Form B. 178)
13. Medical report on invalid (if any) (Army Form B. 179)
14. Copy of receipt for purchase money (if any)
15. Attestation of fraudulently enlisted man for corps in which he has not been held to serve (if any)
16. Detailed statement of former service allowed to reckon towards pension (if any)
17. Copy of 3rd page attestation (in the case of men from abroad entitled to deferred pay who go to Netley or the discharge depôt for discharge)
18. Descriptive return (Army Form D. 400), where required
See section 11 on second page
19. Active service casualty form (Army Form B. 103)
20. Employment sheet (Army Form B. 2066)

In the case of recruits who are rejected before, or on, final approval, the discharge documents will consist of—

1. Duplicate attestation.
(On third page the date and cause of discharge will be entered and signed by the competent military authority)
2. Medical history sheet (if any)
(Army Form B. 178)

Instructions as to the preparation, despatch, and custody, of discharge documents.

1. When a soldier is to be discharged, the documents retained with the duplicate attestation will be placed inside this form. Should any of the documents be missing, an explanation of the deficiency, signed by the commanding officer, must be substituted for the missing document. The Officer in charge of records will then extract from the original attestation, any documents required to complete the list of discharge documents enumerated in the margin, which will then be placed in this form in the sequence given.

2. When men are discharged from the colours at home as medically unfit, or with claims to pension, Army Form B. 268 will be sent confirmed, together with the duplicate attestation and documents retained therein to the officer in charge of records 10 days in advance of the date for discharge in the case of invalids, and 14 days in other cases. This officer will then extract from the original attestation any documents required to complete the list of discharge documents enumerated in the margin, place them in this form, and after carefully checking the duplicate attestation with the original forward the whole to the Secretary, Royal Hospital, Chelsea. When such men are discharged abroad, the same procedure will be adopted as above, with the exception that the discharge documents will be sent to the officer in charge of records immediately after discharge takes place (except in the case of men who are granted gratuities on discharge from local battalions or companies, Royal Artillery).

3. When soldiers are sent home from abroad for discharge, the documents retained with the duplicate attestation will be placed inside this form and sent home with the men for transmission to the officer who carries out the discharge, together with the following additional forms:—

- (a) Discharge certificate (Army Form B. 2079 or Army Form B. 264).
- (b) Character certificate (Army Form B. 2067) if entitled.
- (c) Copy company conduct sheet (Army Form B. 121) when required under King's Regulations.

The duplicate attestation and documents retained therein will be sent to the officer in charge of records, who will extract from the original attestation any documents required to complete the list of discharge documents enumerated in the margin and place them in this form.

4. The discharge documents of re-enlisted pensioners, on re-discharge, will be sent to the officer in charge of records, who will extract from the original attestation any documents required to complete the list of discharge documents enumerated in the margin, place them inside this form, and forward the whole to the Secretary, Royal Hospital, Chelsea, irrespective of the cause of discharge.

5. The original and duplicate attestations of recruits who are rejected before, or on, final approval will be retained by the approving officer for one year, when they will be destroyed.

6. In all other cases the discharge documents will be sent, directly the discharge is carried out, to the officer in charge of records of the unit concerned.

7. Postage need not be paid, and receipts are not required, in the case of documents sent to Chelsea or to the War Office.

8. When the discharge documents of men not entitled to pension are sent to the officer who will have final charge of them, they are to be accompanied by Army Form B. 279, and that officer will, if they are found to be correct, sign and return Army Form B. 279. Should any document be missing, he must at once apply for it.

9. The officers having final charge of the discharge documents will arrange them according to regimental numbers, and enter the names in the alphabetical index, Army Book No. 129.

9. Present condition. (Important, to be a full description of the present disabling condition or conditions).

A fresh coloured man of a decidedly neurotic type. He complains of pains of a dull neuralgic type, which he says he has never been free from for two years. These pains are general throughout the body. He is unable to lift his arms directly above his head, but can do so by carrying his arms across his chest. He has numbness and tingling of both arms. On examination there is no swelling of any joint except those of the metacarpophalangeal of both thumbs. There is arthritic crackling of nearly all the joints. He has hyperaesthesia, jumps when he is touched in many places. Knee jerks are exaggerated. Heart, lungs, genito-urinary systems normal. He is lame in left foot following operation for hallux rigidus of left toe, due to accident at Valcartier. Walks with aid of a stick. There is a tendency to flat feet in both feet.

[After describing all abnormalities, anatomical and functional, contributing to present incapacity (see section 11) state whether such incapacity is directly due to (a) weakness, (b) loss (complete or partial) of an organ or member or of its functions, or (c) to the necessity for rest of the body or of some of its parts.]

10. History ;

Here give a description of wounds, scars, deformities, and signs and symptoms of abnormal conditions present and not included in answer 8. This section cannot be completed without stripping the soldier and subjecting him to a thorough physical examination

Linear sear over left big toe.
Sear right calf.

11. To what extent, state in percentages, is capacity to earn a livelihood in the untrained labour market reduced? If there is more than one disabling condition, estimate the incapacity due to each, and that due to all combined.

1. Rheumatoid arthritis. 15% 2. Neuritis - 25%
3. Impaired movement - 30%

12. Did the disability arise on or off duty? On duty

13. Was a Court of Inquiry held? No.

14. If the disabling condition had its origin before enlistment, has it been aggravated on service? Yes.

Yes..... No.....
(If the answer is in the affirmative, state in percentages, to what extent the soldier is incapacitated by that aggravation.)

15. Was the disability caused or aggravated by negligence, by vice or by misconduct, or by unreasonable refusal to accept treatment? No.

(If the answer is in the affirmative, state in percentages, to what extent the patient is incapacitated by that causation or aggravation. In answering this question, conduct sheets should be considered. If treatment has been refused, the circumstances surrounding the refusal should be described on page 4.)

16. What is the probable duration, in months, of the disability or of each of the disabling conditions, if there is more than one? All permanent at his age.

17. Treatment (Case reports, general or special, should be secured and attached where possible).

Has had body massage, Radiant Heat baths,
Hot Soda baths, Electric baths and tonics.

18. Is further treatment in hospital, convalescent home, etc., likely to be of material benefit? No.

19. Can the former trade or occupation be resumed? No.

20. Recommendations That he be discharged and pass under his own control.

OPINION OF THE MEDICAL BOARD

21. Does the Board concur with the preceding report? If not, give differing opinions, with reasons, quoting the number of the answer criticized.

Sec. 8. (1) neuritis and neurasthenia, due to service.

Sec. 9. No evidence of rheumatoid arthritis and as the neurotic element is so strong it is hard to estimate the actual amount of disability due to neuritis. There is no wasting of muscles. There is no limitation of movement in left foot. An almost imperceptible scar over left metatarsophalangeal joint of great toe marks site of operation. This joint moves freely, and is painless. Complains of pain of an indefinite nature in instep. Looks much older than age stated.

Sec. 11. 50% for combined disability.

Otherwise concurs.

22. Is the soldier fit for

- (a) General service, (Category A) (Yes or No).
- (b) Service abroad, not general service, (----B) (Yes or No).
- (c) Home service, (Canada only), (----C) (Yes or No).
- (d) Temporarily unfit, (----D) (Yes or No).
- (e) Unfit for service in Categories A, B and C, (" E) (Yes or No). **Yes.**

23. It is certified that the soldier

- (a) ~~Does require treatment.~~
- (b) Does not require treatment. **Yes.**
- (c) Should pass under his own control. **Yes.**
- (d) ~~Should not pass under his own control.~~

(Strike out condition not applicable).

24. It is recommended that the soldier be discharged. (When not for discharge add special recommendation).

Should the refusal of the soldier to accept treatment appear to be unreasonable, or should he decline to sign this statement the Board of medical officers should so state.

INSTRUCTIONS

1. In using this Form the "Instructions issued for the guidance of Medical Officers serving on Medical Boards" will be carefully followed.
2. The Medical Officer in charge of the case is responsible for the proper completion of pages 1 and 2 of this Form. The President of the Board of Medical Officers is responsible for the proper completion of the space, of page 3, reserved for recording the Proceedings of a Board of Medical Officers.
3. In answering the questions, Medical Officers will carefully obtain and record the soldier's statements concerning his condition. They will distinguish observations made by themselves from hearsay. They will distinctly state the authority for statements not resulting from their personal observation; it must be made clear whether such statements are obtained from the soldier concerned, from witnesses, or from documents.
4. If a complete answer to any question requires more space than that reserved for it, the answer may be continued on the blank space on this page.
5. The nomenclature of diseases to be followed is that described in "List of Diseases" printed in the order in which they appear in the Annual Report on the Health of the Army, published in London, (1915), by Messrs. Harrison and Sons.
